

VINYL INDIA– 2017

7th International PVC & Chlor - Alkali Summit
20th - 21st April 2017, Grand Hyatt, Mumbai, India (18th April, 2017, 12.37 pm)

Programme Schedule for Day - 1 - 20th April

08.00 - 09.00	Registration
09.00 - 09.10	Summit Opening Remarks
09.10 - 09.20	Welcome Address Kamal P. Nanavaty, President - Strategy Development, Reliance Industries
09.20 - 09.40	Keynote Address I: PVC - Contributing to India's Growth Vipul Shah, Chief Operating Officer – Petrochemicals, Reliance Industries
09.40 - 10.00	Keynote Address II: Growth is Back - Outlook for PVC Industry Antonio Carrillo Rule, Chief Executive Officer, Mexichem
10.00 - 10.20	Keynote Address III: Economy Outlook under changed scenario Ananth Narayan, Regional Head, Financial Markets, ASEAN & South Asia, Standard Chartered Bank

10.20 - 10.50 ***Coffee Break & Networking***

Business Session I - PVC Markets: Past, Present & Future

Session Chairman Atul Jain, Joint Managing Director, **Jain Irrigation Systems Ltd.**

10.50 - 11.10	Cradle to Cradle® - Responsible Use of PVC Prof. Michael Braungart, CEO, EPEA Internationale Umweltforschung GmbH
11.10 - 11.30	Global Vinyls – Navigating the Future Henry Warren, Director - Inorganics Group, IHS Markit
11.30 - 11.50	Changing Dynamics and Role of Carbide in Asian PVC Market Bongkotthip Srithavatchai, Consultant, Nexant
11.50 - 12.10	Indian PVC Market Ramkumar Shankar, Managing Director, Chemplast Sanmar Limited
12.10 - 12.20	Q & A Session

Business Session II - CPVC Markets: Past, Present & Future

Session Chairman N Krishnamoorthy, Executive Director - Commercial, **Chemplast Sanmar Limited**

12.20 - 12.40	Evolution of CPVC and way forward in Indian market Sandeep Engineer, Managing Director, Astral Poly Technik Ltd.
12.40 - 13.00	Thinking Big With CPVC: A Call To Industry Matthew S. Timmons, Managing Director, Lubrizol Advanced Materials South Asia
13.00 - 13.20	Changing trends in CPVC Stabilizing System Kenny Wong, Director, Sun Ace Group
13.20 - 13.30	Q & A Session

13.30 - 14.20 ***Lunch & Networking***

Business Session III - Parallel Session

(A) Molecule to Macromolecule

Session Chairman	V.Gopalakrishnan, Senior Vice President, Reliance Industries Limited
14.20 - 14.40	Reducing NaOH & EDC Production Costs Ryan Gilliam, CEO, Chemetry
14.40 - 15.00	Mega EDC cracking Furnace - Salient Features in Design /Configuration Herve Lavieau, Chief Executive Officer France, Heurtey Petrochem
15.00 - 15.20	Improvements in PVC Reactor Agitation Eric Janz, R&D Director, NOV Mixing Technologies
15.20 - 15.40	Next Generation Suspending Agents for sPVC Dr. Léna Sambe, Development Manager, R&D Performance Polymers, Synthomer

15.40 - 15.50 **Q & A Session**

(B) Additives & Compounding

Session Chairman R. Parthasarathy , Chairman and Managing Director, **Thirumalai Chemicals Ltd.**

14.20 - 14.40 **Engineered & Sustainable PVC Compounds for Technical Application**
Kevin Skrada, General Manager International, **Axiall Corporation LLC, a Westlake Company**

14.40 - 15.00 **Compounding Flexibility Leads to New Horizons**

Nina Beckmann, Process Engineer, **Buss AG**

15.00 - 15.20 **Mineral Fillers – Cost Optimization to Value Addition : Impact Modifier Extension in a uPVC Profile Formulation**

Chris Paynter, Research and Innovation Director - Applications Technology, **Imerys**

15.20 - 15.40 **Current Status of Phthalate Plasticizers in Japan**

Dr. Hiromi Yanase, General Manager - Technical Department,

Japan Plasticizer Industry Association (JPIA)

15.40 - 15.50 **Q & A Session**

15.50 - 16.10 **Coffee Break & Networking**

16.10 - 16.20 **The Grand Vinyl India Quiz - Preliminary Round**

Business Session IV - Processing & Downstream Machinery

Session Chairman Shivsingh Mehta, Managing Director, **Kriti Industries (India) Ltd.**

16.20 - 16.40 **Trends in PVC extrusion**

Peter Oswald, Head of Product Management Extrusion, **KraussMaffei**

16.40 - 17.00 **Improved Productivity with Advanced PVC Extrusion Systems**

Harald Heyen, Sales Manager for Extrusion Technology, **Theysohn Extrusionstechnik**

17.00 - 17.20 **Emerging extrusion technologies in WPC**

Clemente Bausano - Vice President, **Bausano & Figli Italy**

17.20 - 17.40 **Extrusion Line Lifecycle Management and Connectivity**

Brian Marston, President - Extrusion, **Milacron**

17.40 - 18.00 **Automation - a way to go for India**

Dhruv Shah, Executive Director, **Prasad Group of Companies**

18.00 - 18.10 **Q & A Session**

18.10 - 18.40 **Panel Discussion on Can Pipe Industry Adapt to the Changing Environment?**

Moderator Saurabh S. Dhanorkar, Former Managing Director, **Finolex Industries Limited**

Vasudevan Suresh -**National Building Code of India**, Parag J. Chheda - **Prince Pipes & Fittings Pvt. Ltd.**,Rishav Aggarwal – **Kisan Mouldings**, Siddharth Bansal - **Skipper Ltd**, Ajay Shand- **Shand Group**

18.40 - 18.50 **Q & A Session**

18.50 - 19.10 **Cocktails & Networking**

19.10 - 19.40 **Dinner Speech: After All customer is the King**

Mumbai Dabbawala - Dr. Pawan G. Agrawal, International Motivational Speaker

19.40 - 20.00 **Outstanding Achievement Awards**

20.00 - 20.10 **Mega Lucky Dip Prizes**

20.10 - 21.10 **Networking Dinner & Cocktails**

Programme Schedule for Day - 2- 21st April

09.20 - 09.30 **Opening Remarks**

09.30 - 09.50 **Keynote Address I: PVC Pipes and Doubling of Farmers Income**

Anil Jain, Vice Chairman & Managing Director, **Jain Irrigation Systems Ltd.**

Business Session V - Molecule to Market – The Major signposts

- Session Chairman** Professor Dr. G. D. Yadav, Vice Chancellor, **Institute of Chemical Technology**
09.50 - 10.10 **Global PVC stabiliser markets. Scenarios, Trends and Outcomes**
Andy Jones, Global Head of Strategic Business Unit - PVC Additives, **Baerlocher GmbH**
- 10.10 - 10.30 **Changing tides- Resurgence of China as a PVC export market and its impact on India**
Kite Chong, Markets Editor, **ICIS**
- 10.30 - 10.50 **Global Scenario for PVC - Is there sufficient Capacity to meet the Demand?**
Yves Heroes, Director Marketing & Sales, **Kem One**
- 10.50 - 11.10 **Creating the Future Industry 4.0 - Doing More with Less**
Nitin Chowdhary, Deputy CEO, **Windsor Machines Limited**
- 11.10 - 11.30 **OPVC, the Game Changer for India**
Ignacio Muñoz, Chief Executive Officer, **Molecor Tecnología S.L.**
- 11.30 - 12.00 **Coffee Break & Networking**

Business Session VI -PVC - Channeling India's Growth

- Session Chairman** Mark Hilhorst, Director, **Rollepaal Engineering India Pvt. Ltd**
12.00 - 12.20 **The advantage of using a "Range Formula" for the PVC Pipe Companies**
Nasrin Kashafi, General Manager, Plastics Program, **NSF International**
- 12.20 - 12.40 **PVC-O: the ultimate PVC pipe**
Maarten Hamberg, Area Manager – Technology Group, **Mexichem & Fluent Business Group**
- 12.40 - 13.00 **Wavin Technology & Innovation**
Evolution and benefits of PVC pipes
Jean-Pierre De Grève, Project Leader, **PVC4Pipes**
- 13.00 - 13.20 **Latest Applications in Flexible Calendering**
Robin Banerjee, Managing Director, **Caprihans India Ltd.**
- 13.20 - 13.30 **Q & A Session**
- 13.30 - 14.30 **Lunch & Networking**
- 14.30 - 15.00 **Panel Discussion on Innovations – Solutions for the future**
Moderator Shivprasad Naik - **Reliance Industries Limited**
Kamal Jain - **KLJ Polymers & Chemicals Ltd.**, Hardik Panchal - **Hardy Smith**, Madhavi Kiran Singh – **SRF Limited**, Digvijay Dhabriya- **Dhabriya Group of Companies**, Dr. Subhash Kulkarni – **Entremonde Polycoaters Ltd**
- 15.00 - 15.10 **Q & A Session**

Business Session VII – Sustainability

- Session Chairman** Rahul Prithiani, Director, Industry Research, **CRISIL Limited**
15.10 - 15.30 **Environmental issues in the Chemical industry and its mitigation**
Michael Klose, Manager Sales and Process Engineering, **Babcock & Wilcox MEGTEC**
- 15.30 - 15.50 **RelWood™ - Sustainable path towards future development**
Dr. Ramki Subramanian, Head, Business Development, **Reliance Industries Limited**
- 15.50 - 16.10 **Sustainable value chain for PVC in Europe - the VinylPlus program**
Stefan Eingärtner, Sales Director, **Resysta**
- 16.10 - 16.20 **Q & A Session**
- 16.20 - 16.50 **Coffee Break & Networking**
- 16.50 - 17.10 **The Grand Vinyl India Quiz - Final Round**
- 17.10 - 17.30 **Discussion on Recently Imposed Ban on NGT on PVC Products - Implication on industry**
Dr. Shreekant Diwan- **Baerlocher India Additives Pvt. Ltd.**, Haren Sanghavi - **The All India Plastic Manufacturers' Association (AIPMA)**
- 17.30 - 17.40 **Q & A Session**
- 17.40 - 17.50 **Mega Lucky Dip Prizes**
- 17.50 - 18.00 **Summary Remarks**
